Why did you choose Lawnswood? *and opening hours*

Firstly the proximity to home, but having visited a few settings the same distance away, we were particularly impressed with the outdoor area and the friendliness of the staff on our visit.

Alice has been very happy during her time at Shirley Heath, and she has developed significantly in all

areas of learning. We have found all of her key workers to be very approachable and caring towards Alice. Special mention to Nikki Williams, with whom Alice has built a very strong bond over her two years there.

We would have been happy to keep Alice at Shitley Heath until her Reception year but we were keen that she starts making school friends as soon as possible.

One area which could possibly be improved - the only trips Alice has been on in two years are to the local shops. I would have been happy to accompany her if necessary but it would have been nice for her to go further afield. Having said that, she will be going to a fruit farm on her second last day!

Alice has particularly enjoyed the small group regular activities she has participated in - the forest school sessions and trips to Elizabeth House - and visitors to the Nursery such as the drama lady.

Many thanks for the care and education Alice has received. We have recommended Shitley Heath to others and we will continue to do so!
